SANE FOURTH

Going Back to First Principles—
By All Means Let's Have One

A sane Fourth of July, rightly construed, is the kind enjoyed by our forefathers of fifty years ago. Then it was the true spirit and essence of the day was fully understood, appreciated and enjoyed.

Everybody looked forward to the coming of the day with expectancy and pleasurable delight, for it was a natal holiday in which patriotism abounded and love of country was exalted.

Watkins' Cut, a general resort and rendezvous for the very worst characters, was the scene of a Wild West carrying on Saturday night between 11 and 12 o'clock—shooting and carousing. It would be well for the county officers to keep an eye on this place for it is notoriously disreputable—drinking, fighting and gambling are a few of the evil doings carried on there.

PASTIME
Entire
Change
of
Program
2-Nite

The day was spent in groves and woodland and after the decoration of Independence had been read came the orator of the day with an address fitting the occasion, instilling in the minds of the rising generation love of country and the true meaning of celebrating the day. Then came music and dancing, followed by a feast spread on the sward, fit for a King.

Those were good old days and a return to first principles would not be a bad idea. A picnic, including everybody, held in Beechwood Park, with noted speakers to address the multitude and plenty of good and inspiring music to arouse the patriotism lying dormant within us, and dancing, swings and games on the side for the young folks, would be a safe and sane Fourth.

CUT DOWN EXPENSES

Prices of household supplies of all kinds are very high, with no apparent relief. There remains one way in which to cut down expenses, and that is to equip the house with the very best modern conveniences, which will render the employment of help unnecessary. Time, labor, health and materials themselves are saved by this policy. In the kitchen, for instance, a Hoosier Kitchen Cabinet saves miles of walking and hours of time.

**The Date and Maysville the Place

Nomination**

**County Conventions to Be Held Sat-
urday, July 16th—Republican
Committee Arranges
Preliminaries**

The Committee of the Republican party for the Ninth Congressional District met in the parlors of the Central Hotel at Maysville at 11 a. m. Saturday, June 11th, 1910. Pres-

Hon. J. B. Bennett, Chairman. John D. Littlejohn, Secretary. Bath county—Sherman Gullett, Salt Lick. Boyd county—T. A. Field, Ashland. Bracken county—Edward McClanahan, Brooksville. Carter county—H. G. Hicks, Olive Hill. Fleming county—Howard McCartney, Flemingsburg.

Harrison county—I. N. Munson, Cynthiana. Lewis county—Harvey Parker, Vanceburg. Lawrence county—No representation. Mason county—A. M. January, Maysville. Nicholas county—H. B. Bryson, Carlisle. Robertson county—Robert Buckler, Mt. Olivet.

Rowan county—John Carey, Morehead. The Chairman stated the object of the meeting to be the selection of a time, place and manner for holding a convention to nominate a Republican candidate for Congress in the Ninth District.

On motion of Mr. Field of Boyd, the Republicans of the various counties were called to meet in mass conventions at the various county seats (Ashland excepted) on Saturday, July 16th, 1910, at 1:30 p. m., standard time, for the purpose of selecting delegates to attend a convention to be held at Maysville July 20th, 1910, at 10 a. m., standard time. Carried by a unanimous vote.

Mr. January invited the Committee to hold the convention at Maysville. Mr. Bryson of Nicholas presented Carlisle and a communication from Mr. O. F. Byron of Boyd presented Ashland. On call of counties Maysville received 10 votes and Carlisle 1. On motion of Mr. Bryson, Maysville was selected by a unanimous vote.

The basis of representation was made on the vote cast for Hon. William H. Taft for President in 1908—one delegate for each 100 votes or fraction over 50 votes cast at that election.

The Secretary was ordered to promulgate the call and cause same to be published in the various Republican newspapers of the District.

JOHN B. LITTLEJOHN, Secretary.

The Committee meeting was one of the best attended and harmonious gatherings ever held in the Ninth District.

Besides Congressman Bennett and Arthur Bennett, his son and Secretary, there were present Hon. Robert Buckler and County Attorney Throckmorton of Robertson, Wyatt Insko of Carlisle, Editor J. T. Wilson of Cynthiana, Supervisor of the Census for the Ninth District, and many others.

FREIGHT WRECK

Nine Cars Ditched—No One Hurt—Excursion Train Detained Here

There was a disastrous freight wreck last night between Springdale and the Fairgrounds in the East End, in which first section of 71 Westbound freight ditched nine cars and tore up considerable track. Fortunately no one was hurt but money loss in way of damaged track was considerable.

Owing to the track being blocked the Cincinnati Sunday excursion train was held at the Depot at this place from 9 p. m. until 4:30 a. m. this morning. It was a tired, sleepy and worn out crowd, for a fact, and the way they bewailed their ill luck was a sight. The lunch stand at the Depot did a rushing business, however.
